### **LAFCU, MEMBERS CELEBRATE 10 YEARS AT WEST LANSING LOCATION**

LANSING, Mich. – Smiles and laughter were plentiful on Tuesday, Aug. 19, as LAFCU hosted a celebration for members in recognition of the 10<sup>th</sup> anniversary of the building that houses the mid-Michigan credit union’s headquarters and west Lansing branch.

Food, fun, a chance to win a prize and potentially spend time in the cash grab money booth were highlights of the one-day event for the approximately 300 people who attended.

“This building is the result of the support of our members—those who have chosen LAFCU to provide their financial services—so it was fitting that we shared the day with them,” said Kelli A. Ellsworth-Etchison, LAFCU vice president of community and business development.

The 78-year-old mid-Michigan credit union holds more than \$580 million in assets and serves 55,000 members in the counties of Barry, Calhoun, Clinton, Eaton, Gratiot, Ingham, Ionia, Jackson, Livingston, Montcalm and Shiawassee.
